

The Login Page is a blue rectangular container. Inside, there is a grey rounded rectangle with the text 'Inventory Application' at the top. Below it are three input fields: 'Username:', 'Password:', and 'Forgot Password?'. At the bottom of the grey rectangle is a green rounded rectangle with the text 'Login'.

Login Page

Login Page

- Displays item boxes for the user to input their username and password.

Item List

- Displays all items uploaded to the application. Shows a picture of each of the items and general information about the item. Also has a drop-down box for navigational purposes.

Item Page

- Displays a more detailed page of the item selected by the application user. Shows detailed information not shown by the item list page, including the price of said item. Also contains icons that go to the wish list and the user's cart list when clicked on.

Wish List

- Displays items that the user has chosen to put on their wish list. Displays general information, and also has a drop-down box for navigational purposes.

Cart List

- Displays items that the user has chosen to purchase using the app. Displays pictures of the items, general information, as well as the price of each individual item. Lower right of the page, there is a total price of all items, as well as

Account System

- Holds all information on all users that have downloaded the app onto their iPhones.

Item List

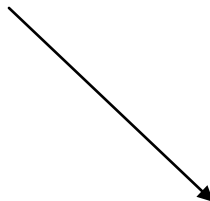

The Item List shows three item boxes. Each box contains a small image placeholder (labeled 'Item 1 Pic', 'Item 2 Pic', 'Item 3 Pic') and a text area for item information ('Information on the first item goes here', etc.).

Name of Item

Item Page

The Item Page features a large box for item details, including a placeholder for the 'Item Picture' and a text area for 'Information for the item goes here, including price'. At the bottom, there are two buttons: 'Wish List' and 'Cart (0)', each with a plus icon.

User's Wish List

The User's Wish List displays three items, each with a picture placeholder and a text area for item information ('Information on the first item in your wish list goes here', etc.).

User's Cart

The User's Cart shows three items with picture placeholders and text areas for item information and price ('Information on the first item in your cart goes here', 'Item Price:'). At the bottom right, there is a 'Total Price:' label and a 'Check Out ->' button.
